HCG DIGITAL FINANCE

HCG owns loans in three sectors, purchased across four platforms. HCG works exclusively with the highest quality Peer-to-Peer platforms:

- **Consumer Credit**
U.S. consumer credit purchased from LendingClub
- **Real Estate Loans**
U.S. "fix-to-flip" mortgages purchased from LendingHome
- **Small Business - Factoring**
U.S. small bus receivables purchased from P2B Investor
- **Small Business - Term**
U.S. small bus loans purchased from Square Inc

HCG looks for "outside market" investment opportunities that exhibit low volatility and that are uncorrelated to the behavior of public market securities. HCG was founded in 2009, and since 2012, has been a pioneer in formulating investment programs around Peer-to-Peer platforms. HCG strives to identify and develop strategic relationships early on with the platforms that will become tomorrow's leaders in their market segment. The firm's philosophy is to work with the *highest quality* platforms rather than *all* platforms.

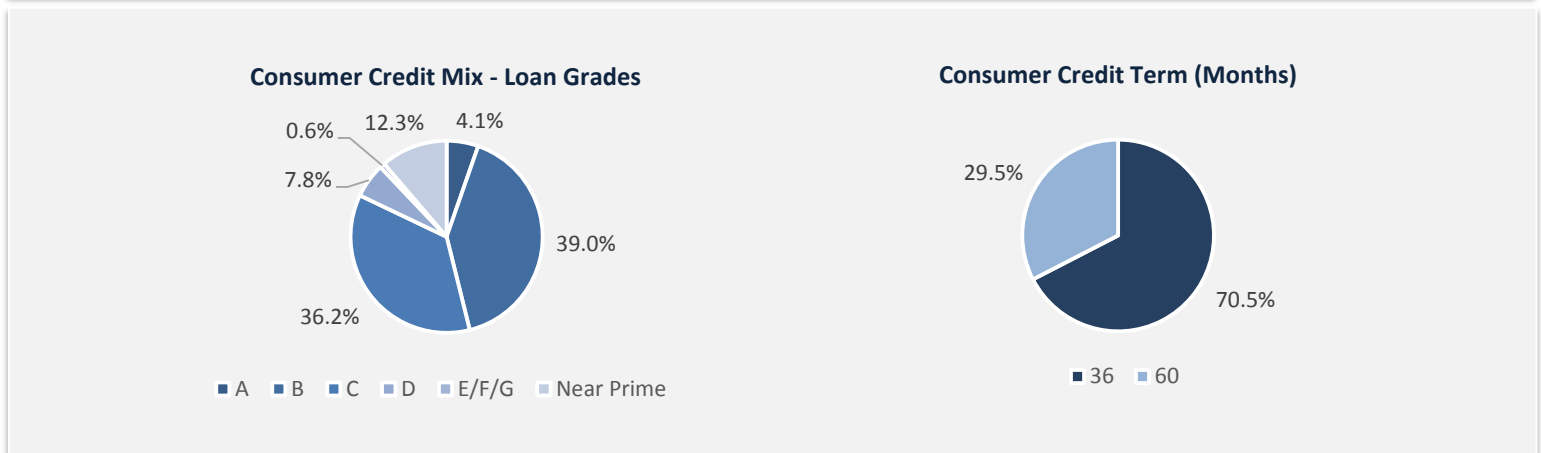

HCG launched its first program, HCG Consumer Credit I LP ("HCG CCI"), in March 2013. In 2015, the firm launched its second investment program, HCG Digital Finance LP.
